Customer Testimonials

WHAT OUR MEMBERS THINK

"Having diabetes makes finding coverage almost unbearable, with the CO-OP my insulins are 100% covered and they assigned me a nurse who checks in on me throughout the year. That is going above and beyond."

— CHRIS

WHAT OUR MEMBERS THINK

"I will forever be grateful for MHC. I was able to travel with my Dad to his surgery in Utah for free. They took care of everything so he didn't have to be alone. This is the company that does the right thing."

— SAMANTHA

WHAT OUR MEMBERS THINK

"After my surgery I got a call from Mountain Health Co-Op. The only reason for the call was to check on me and see how I was feeling and if they could do anything to help."

— GRETCHEN

WHAT OUR MEMBERS THINK

"I switched from another carrier and I haven't looked back. Better customer service. Better coverage. Better benefits."

— AMBER

WHAT OUR MEMBERS THINK

"I've had a really hard time getting established with a doctor during COVID. The Doc on Demand benefit helped me bridge that gap and gave me the visits I needed without having to even leave my home."

— GLENN
