

CO-OP VALUE PREVENTIVE DRUG LIST FOR 2026

No-Deductible Drug Coverage for ALL Mountain Health CO-OP Plans

Do you take medications in one of the categories listed below? Our CO-OP Value Preventive Drug List provides coverage for specific drugs in each listed category even before you meet your deductible or out-of-pocket expenses. This means that CO-OP members will not have any cost share for medications included in our Value-Based Preventive Drug List. This list expands preventive drug coverage beyond what is covered at no cost share under the Affordable Care Act (ACA). It is available to ALL Mountain Health CO-OP plan members, including those in Individual and Family Plans, Small Group Employer Plans, and Large Group Employer Plans.
