This Policy provides a network through which members can receive benefits for allowable services from in-network providers. When using an in-network provider for covered medical expenses, the member is only responsible for applicable deductible, coinsurance and/or copayments of the allowable amount up to the maximum out-of-pocket. When using an out-of-network provider, the member is responsible for payment of billed charges beyond the allowed amount for covered medical expenses. Please note: The member is responsible for full charge of any non-covered medical expense. When you get emergency care or get treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from surprise billing or balance billing. For more information about “surprise billing”, visit https://mountainhealth.coop/members/ and review the information provided under “Surprise Billing”.
